MEMORANDUM

TO: State Agencies
FROM: OA/Accounting
DATE: September 5, 2006
RE: Data Warehouse Tables

This memo is to notify all agencies that the delta load files for the DOC_RC_HDR and DOC_RC_LN tables in the data warehouse from August 31, 2006 and September 1, 2006 were inaccurate. We will be backing this information out of the data warehouse and will then reload the corrected information and send out a notice letting you know when this process has been completed. A single new delta file will be created in the reload process and will contain data from both days.

Therefore, if you used information from these tables for any reports, please be aware that this information is not accurate and you will need to get the corrected information later today.
